Enthusiastic and motivated Computer Science student seeking an opportunity in Software Development, leveraging 6+ years of technical knowledge and problem-solving skills, to build exciting and easy to use applications.

EDUCATION

CUNY Lehman College, Bronx, NY
Bachelor of Science in Computer Science

Expected graduation: May 2024
GPA: 3.20 Major GPA: 3.81

EXPERIENCE

Full Stack Developer Intern, Workday, Remote

June 2022 - Aug. 2022

- Selected into a cohort of 35 interns out of 1,800 applicants for a 10-week full stack development internship partnered by CodePath
- Coordinated a team of 4 to build, and develop website applications utilizing HTML/CSS, JavaScript, PostgreSQL, Express.js, React, and Node.js to enhance the user experience
- Collaborated with mentors from Workday for weekly project planning, brainstorming ideas, and scheduling meetings
- Presented Capstone project in person to over 50 Workday and CodePath employees on the effectiveness of incorporating a user friendly website on coordinating online and offline events

Event Coordinator, Hostile Takeover Gaming, Newburgh, NY

Jan. 2012 - Dec. 2018

- Collaborated and hosted competitive gaming events within the Mid-Hudson Valley
- Managed a team of 5 people, while assigning various tasks to keep the events going in a well-organized fashion

PROJECTS

Lehman College Computer Science Club Website - Developer - lehmancs.club

January 2023

- Developed using Astro.js and Tailwind CSS, for enhanced page responsiveness and speed
- Deployed via Netlify with a custom domain name

GameOn - Frontend/Backend Developer

July 2022

- Using the PERN stack, developed a game event organization application in a team of 4 within 5 weeks
- Implemented the Chakra UI React Library and Twitch's IGDB API (Video Game Database)

Minesweeper Game - Developer

May 2021

- In Java, recreated the Minesweeper puzzle game
- Utilized the Java Swing and AWT libraries for the UI/GUI

EXTRACURRICULAR

Lehman College Computer Science Club

- Vice President

Dec. 2022 - Current

- Event Coordinator

Sept. 2022 - Dec. 2022

- Planned, scheduled and coordinated various events throughout the semester
- Hosted workshops, such as an "Intro to Git" workshop, where I educated students on using Git and Github
